Editor's Comment

Don't pay any attention to the fall weather pattern Alpine experienced this past week because based on articles in this issue of FWIW summer is now official! The Mountaineer/Memorial Day Picnic was a success thanks to many of our neighbors and their families and friends who attended. I think well over 100 hot dogs were served. Also, thank you to the Stocks and their group of volunteers for organizing, cleaning the picnic area, and barbecuing. It couldn't have happened without all of you! The beach has opened, so when driving, please be aware of your speed and of beachgoing pedestrians. Golf, in all its splendor, is in full swing. Read all the various league scores listed under "Golf News." Also, there is updated information on how to pay for the trip to the Lavender Farm scheduled for June 28th so don't miss reading the article by Norleen Hoadley. The YAK-A-LAUNCHER has been installed at the dock (thank you, Jim Rocchi!). Please refer to the May 13th edition of FWIW for instructions on how to use it safely or visit www.getkayactive.com. The Alpine Lake House Tours, Summer Solstice Festival at the beach, another Carry-In Picnic and the Music Festival are just a few of the many summer activities planned for your enjoyment and are listed in "Coming Events" at the end of this issue. That's it for now, until next time! Happy Summer!!

The next FWIW will be issued on Friday, June 24th. Please email all articles to me, Janice Nelson, at mamaj11@yahoo.com, or use the FWIW box on the lobby counter. Please keep your article brief so we can fit all the news in each issue. Thanks for your cooperation and participation. Enjoy!

TIMELY NOTICES AND REMINDERS

NEXT EGG DELIVERIES by Sheila Amato

James will deliver eggs to the Lodge on Wednesday, June 15th and June 29th. He typically comes between 11am – 11:30am. Email messages will go out on the Friday before the delivery, and orders need to be placed no later than Sunday evening.

The Terra Alta Farmer's Market opens up at the end of June. James said that he will let us know by June 29th whether or not he will continue to deliver eggs to Alpine Lake during the summer or if we will need to visit the Market to purchase them. Thus, stay tuned.

HAPPENINGS AROUND THE LAKE & NEARBY...

SUMMER SOLSTICE FULL MOON FESTIVAL *by Jim and Norleen Hoadley*

Weather permitting, our first Summer Solstice Full Moon Festival will be held at the beach pavilion on Monday, June 20th at 7:30pm. Kayaks and canoes will be permitted to “dock” at the beach for this celebration. Bring a dessert or appetizer to share for an evening of fun. Make s’mores, visit with friends and boat around the lake. Glow necklaces will be supplied for night-time boaters.

BOAT LAUNCHING REMINDER *by John Laing*

There is one area, the boat area near the boathouse, authorized for launching and landing boats. Our lake shores are sensitive areas and erosion is a continuing problem. Please do not launch or land boats from other areas.

ALPINE LEARNING PROGRAM *by Norleen Hoadley*

The Alpine Learning Program’s first field trip of 2016 will be on Tuesday, June 28th, to the Lavender Farm in Accident, Maryland. The cost is \$25 which includes lunch, tour and a lavender craft. A choice of three options for lunch will be listed on the sign-up sheet at the Lodge. Mark which option you prefer. The last date for sign-up is Sunday, June 26th. We will meet at 10am in the Lodge parking lot to carpool to the Lavender Farm. Pre-payment is required. Checks can be made to ALP Treasurer, George Evans. Place “ALP-Lavender” in the memo line. Checks are the preferred method of payment. The cost is \$25 per person. Lunches must be ordered in advance, hence the need for pre-payment. Give your check to Shelley, Kay or Crystal at the front desk. Payments are due by Sunday, June 26th.

TERRA ALTA FOOD BANK

There is an ongoing need to replenish supplies at our local food bank so please add your donations whenever you can to help this worthy cause. There is a box inside the front foyer of the Lodge for your convenience. Please continue to be generous in your giving.

SEASONS *by Liz Daniels*

Things have been busy here at Seasons Restaurant! We catered our first wedding this past Saturday with high remarks. It was a huge success and, hopefully, will have past customers returning. Being open for lunch at 11am on Mondays thru Thursdays has not been beneficial to us and we are looking at adjusting our hours on these days with exceptions for the sewing group, the beautification committee and others as encountered.

The following is a list of days as promised that the large dining room will be closed: Saturdays June 11th and 25th and Monday, the 27th.

Barry Dalton will be playing in the lounge on Friday night the 10th.

We have the Mason's returning on Saturday, June 18th and on the 25th and will host two specials on “Meet the Candidates” night.

Carrie See will be having an open social hour in the small dining room on Friday, July 8th.

On July 8th, 9th and 10th we will have an open breakfast buffet.

Lastly, on Thursday, July 14th the public is invited to dance to a DJ in the large dining room.

GOLFING NEWS

STROKERS by Skip & Dottie Creamer

May 30th:

The Monday evening Stokers' League kicked off their 23rd season on May 30th under ideal weather conditions. Following the competition, the group enjoyed dinner, a few stories, jokes and a chance to win a free meal by answering a question. Each week a correct response will win a meal paid by Skip and Dottie. This week's question was "By what other names are Robert Parker and Harry Longbaugh better known?" The answer is Butch Cassidy and the Sundance Kid. There was no correct answer. The Scramble winners this week were Andy and Tamara Beardslee and Pat and Denise Kerr. Please consider joining us next week for all the fun! We meet at the Pro Shop at 4pm.

June 6th:

The Stokers celebrated "D" Day tonight as four teams vied for weekly bragging rights. Andy and Tamara Beardlee finished first for the second straight time. This evening they were paired with Dick and Sue Aamont. The victory came after they survived the dreaded card OFF. The team edged out Carl Donald, Lough Cosner, and Dick Gallagher. For an enjoyable experience, please consider joining the group on Monday at 4pm for golf or come later at 6:30pm in the restaurant for a light meal, stories and jokes.

COMMITTEE REPORTS

ECC by *Dick Gallagher*

The ECC is currently compiling a list of "Failure to Maintain" properties. If you know of a property that you think might qualify, please e-mail ecc@alpinelake.com us or drop a note in our mailbox in the lodge. Include the street address so we can do a drive-by to assess the property. Our office has been moved to the lower level of the Lodge. We meet on Thursday mornings at 8am.

PROPERTY OWNER'S COMMITTEE by *Bernie and Birgit Stock*

We finished up with a busy two weeks starting with our Memorial Day weekend Carry-In Picnic at the Boathouse. More than 130 PO's and their guests enjoyed a nice variety of foods to go with the hotdogs. Things got underway with a dedication to our fallen warriors by Rev. Pat Kerr and the singing of "God bless America," followed by some good food and conversation until the Indy 500 finished the last lap. The weather turned, but not before a good time was had by all.

The window between the great room and the kitchen has been installed by Cranesville Construction and should serve us well for years to come. We are planning to purchase another gazebo to be used at the new miniature golf course and Bocce Ball pit. If you didn't sponsor a hole at \$200, you can still help the cause by making a donation to help us pay for it (ALPOC/gazebo check to front desk or Bernie & Birgit Stock ASAP).

Are you collecting items for the Annual Yard Sale the first weekend in August? We'll need lots of items and help August 3rd, 4th, 5th, and 6th. PLAN NOW!!

If anyone is getting rid of their electric stove, we could use it at the Boathouse. It must be in good condition.

The PRIDE DAY ACTIVITIES take place this Sat. PLEASE SIGN UP to help. The 2nd CAMP DAWSON JUMP will take place at our lake on Tuesday, 6/14. The United Methodist Church will sell refreshments. Our next Carry-In Picnic is scheduled for Thursday, June 16th at the Boathouse starting at 5pm. Bring the usual... If you can't attend the Annual Meeting on the 25th, don't forget to vote EARLY. Things are looking good around the campus. Isn't nature fantastic!!!

SECURITY by *Fuzzy Corum, Director of Security*

Remember to watch your speed on the roads in Alpine Lake. Radar is being set up around the resort. All roads are 25 mph with the exception of the Lodge, Boathouse and beach which are 15 mph. Also, when entering the gate and there are cars backed up, please do not go around cars on the right and do not go through the exit.

NOMINATIONS AND ELECTIONS COMMITTEE *by Boris Nazaroff*

2016 Board of Directors Positions

The following members of the ALPOA in good standing have officially announced their candidacy for the ALPOA board:

Pat Arnone Xaver Gramkow Craig Stevens Ginger Tucker

We thank them for their willingness to serve and wish them well. Their biographies are provided in the Newsletter and in the Community Chat.

They will be elected at the ALPOA annual meeting to be held on Saturday June 25, 2016, at 10AM in the Lodge. Members of the association in good standing who wish to vote by Absentee Ballot must request a ballot by mail, email, or telephone from the Business Manager, Ms. Tammy Heavner, Alpine Lake Property Owners Association, Inc., 700 West Alpine Drive, Terra Alta, WV 26764, Email tammyheavner@alpinelake.com, Tel.304-789-2481 ext. 151. The ballot must be returned by U.S. Mail/FEDEX/UPS to Tammy Heavner at the above address so that the committee receives it no later than 5 PM, Wednesday June 22, 2016. Instructions on how to submit the ballot are included in the ballot.

Property owners may query board candidates prior to “Meet the Candidates Night” using Community Chat from June 1-15. You are reminded that candidates are one of seven board members and may not have all the answers or be familiar with past actions therefore a lack of response should not be considered as an effort to evade a question as candidates have varied backgrounds and history with Alpine Lake.

This venue should not be considered a debate with endless back and forth. A property owner may ask the candidates a question and if the answer is not clear they can then submit a clarifying question. We remind all that we are neighbors and friends and wish all discourse to be respectful and courteous.

BEAUTIFICATION COMMITTEE *by Sally Rocchi and Wilma Rumble*

The front of the Lodge landscaping is almost finished. Working with Linette and her staff, we’re using old plants from the front of the building, reusing the plants that were previously at the mini golf area (with Beverly Serpone), and new plantings to make the mini course attractive.

There are two projects we have working at this time: Suzie and Craig Stevens are putting together the Service Directory and Joyce Wachter is making the final arrangements for the House Tour on June 26th.

All of these projects should be completed before the Annual Meeting.

FROM MANAGEMENT & STAFF

Linette Sines – Interim General Manager

Summer is here! There are many activities in and around Alpine during the upcoming week that I want to make everyone aware of.

Community Pride Day will be held on Saturday. One of the major projects for this day will be the assembly of the new miniature golf course. We are going to need some strong men to help unload, along with several drills / screw guns with a standard #2 square bit. We must get the course put together Saturday, so this project will go on rain or shine. Join us at am at the lodge for coffee and donuts before we begin. A light lunch will also be served to all those who volunteer. A sign-up sheet is available at the front desk.

There will be a wedding held at Alpine Lake this weekend, so the main dining room will be closed Friday and Saturday. You can still stop by and enjoy a great meal in the lounge, prepared by the Seasons staff. The wedding will be held at the Boathouse Gazebo on Saturday afternoon, so please leave the parking area in front of the gazebo open.

We also have several golf groups staying in the hotel this weekend and utilizing our course, so be sure to call the Pro Shop ahead of time to reserve your tee time.

There will be military training on the lake this Tuesday, June 14th, beginning at 11am. During the training, the lake will be closed to boaters and swimmers (about 1-2 hours). If you didn't get a chance to come down and watch them the last time, I encourage you to do so. The First United Methodist Church will be selling lunch and snack items, so come on down, enjoy lunch by the lake!

Please remember that if you have a boat in the boatyard area, you must purchase a sticker at the Front Desk. All boats must have a 2016 sticker on them by July 1st or they will be removed.

Remember that the 3rd Saturday of every month, owners and their guests have the opportunity to night fish at the lake. Fishing begins at dusk and ends at 1am. Fishing is only allowed from the shore in the designated fishing areas.

A special "thank you" goes out to one of our Golf Members, Mary Ann Krewson, for her donation of pictures and flowers in the ladies restrooms on the golf course. Also, thank you to Jim and Sally Rocchi and family for the donation of a picnic table that will be used in the area outside of the Pro Shop.

The house at 832 Woodbine Drive has sold, and is now owned by CI Holding, LLC, from Vienna, WV. We welcome them into the community and look forward to them cleaning up the property.

ALPUC NEWS by *Kim Mayne, General Manager*

We are gearing up for the annual meeting to be held on June 25th at 9am at the Lodge. Prior to the meeting the ladies from ALPUC will have a table set up as you enter the meeting to disseminate helpful information, answer any questions you may have and update your contact information. We hope to see many of our customers in attendance!

As previously announced, one board member seat expires this year. The deadline for ALPUC members to submit their name to the nomination committee to run for the position was April 15th. Kay Bayer was the only candidate who chose to run for her own expiring term. As a result, absentee ballots were not mailed with the April billing. In addition, as section 4.3 of the ALPUC by-laws reads “Any person not nominated by the nominating committee may file a nomination petition with the secretary of the board of directors to be considered as a candidate for a seat on the board of directors; provided that such nominating petition is delivered to the Corporation’s principal office at least six (6) days before the meeting at which the directors will be elected. The members shall then select from the pool of candidates the new directors of the Corporation.” if no member submits a nominating petition by 3pm, June 19th, 2016, Kay Bayer will be automatically re-appointed for a term of three years.

We will be including information to prevent backflow on the back of your June 30th billing. Please review how to protect your home from backflow and, if you have any questions, do not hesitate to contact our office.

ALPOA BOARD NEWS

BOARD OF DIRECTORS REPORT by Barbara Conway (filling in for Ginger Tucker)

It's really starting to sound and feel like summer at the lake -- warm temperatures, the cheers of golfers, the return of more snowbirds, and, of course, the patter of rain on the roof!

The Memorial Day Mountaineer Picnic was held on Sunday, May 29th at the Boathouse. Approximately 130 property owners and their guests attended this annual event, which is sponsored by our Property Owner’s Committee. Attendees were able to visit with friends and neighbors, as well as meeting new neighbors. Thanks to all who attended and made this event a big success.

On Friday, June 3rd, property owners monitored the weather and watched the skies in anticipation of the arrival of the helicopters. After a delay of about two hours, Camp Dawson was able to conduct their practice session. The second helicopter drop is scheduled for Tuesday, June 14th at 11am. Weather conditions may affect the timing of this event.

The mini golf course arrives on Friday, June 10th, and will be assembled under the supervision of a company representative on Saturday, June 11th. Coincidentally, this is also our Community Pride Day, so join your fellow property owners for what will surely be a busy day. Donuts before and light lunch after!

A reminder that all committees should submit their yearly reports to the IGM before June 17th. Keep them brief, but complete, and include financial information as appropriate. Speaking of committees, even with the proposed consolidations, there are still several who would welcome the addition of a new member or two. Share your experience and expertise with your community!

A new activity this summer is the Summer Solstice Full Moon Festival, planned for June 20th at 7:30pm. Bring your kayak or canoe, along with an appetizer or dessert to share, to the beach pavilion (weather permitting). Enjoy our lake with an evening paddle, or just hang out and enjoy friends and food.
